

Unmatched Manufacturers Warranty

PumpEng believe you will be so impressed with our Stainless Steel Outer Casing we are applying a one (1) year unconditional warranty. This exclusive warranty WILL cover rock fall, accidental impact with jumbo or bogger, however it WILL NOT cover malicious human intent eg. 9" grinder or oxy-acetylene attacks. PumpEng retain the right to repair to workable condition, or replace this Stainless Steel Outer Casing to comply with this warranty.

This warranty covers all sizes of the PumpEng Raptor, and the Outer Casing bought as a spare part.

We look forward to servicing your requirements, and if you have any questions please don't hesitate to contact the undersigned.
